

WE NEED YOUR HELP - PLEASE READ THE ENTIRE MESSAGE BELOW

Disney Parks and the Points of Light foundation celebrate family volunteerism by rewarding nonprofits like El Toro IMPB with Disney 1-Day Park Hopper tickets. The Music boosters use these tickets for fundraising activities throughout the season. The more volunteers that participate, the more tickets we earn...EASY!

## Step 1

The boosters have registered a qualifying project: El Toro High School Music - Campus Clean Up and Equipment Repairs. We need your help and time!

Please register your entire family or just yourself! Please understand more is better on this link registration...

**Please click here to register: <https://www.allforgood.org/projects/GkXeeKQd>**

Please note that the Points of Light information is for the entire event. Your registration is what will qualify volunteers toward the rewards. This is the critical step to support the program objectives. We need everyone to register here first. You and your family will not actually commit to the entire time on this registration...this simply shows your commitment to help at some point.

## Step 2

Once you have registered on the Disney Points of Light link above please proceed to the Sign Up link below...

**<http://signup.com/go/hpwAMqB>**

**Please click here to Sign Up for your time: <https://www.eltoromusic.org/volunteer.html>**

It is on Sign Up where you will let us know your details:

- Who can help
- What time works for you
- What we are doing

**That's it you are done! Thanks you for your support...**

All students will earn qualifying volunteer hours for graduation and we need parents to help in order to qualify.
