# MUSIC ANGELS

## We Need Your Help

The 2020/2021 School Year has had an unprecedented impact on our students. All music ensembles are impacted, it is up to us as parents and friends of the program to support an enriching experience and ensure that our programs do not fall victim to this pandemic.

Funding for our programs remain paramount to ensure the legacy of music excellence being built at El Toro High School. Even in our "COVID World" we plan to maintain coaching staff, equipment, and financially support creative tools so that music remains a cornerstone of our students' high school experience.
